LEURA

CREATES

LIVING SPACES

FOR FAMILIES AND

CHILDRENS

today

LEURA gathers the needs of the breastfeeding mothers outside their home by realizing **Mother Friendly Corners**. Our solutions are attractive, personalized and welcome different stakeholders on their requests.

WHY?

the baby's birth changes its family's priorities and needs

What do children need?

- **cozy and intimate spaces for breastfeeding;**
- **toilets on their size, to learn autonomy;**
- **inclusive, free, socializing games;**
- **stimulating and fun atmosphere.**

A WORTHY space for a relationship
that lasts a lifetime:

intimate, functional, clean, placed in
every daily space where mothers live,
act and breastfeed if they need.

MimmaMà® Point

MimmaMà®

The unique chair for breastfeeding

MEDICAL DEVICE CE

It is the only chair which supports mother and baby in all breastfeeding positions (rugby, cross, cradle and tandem), allowing to nurse twins at the same time. Its unique shape avoids postural pains .

MimmaMà offers a good support to shoulders and arms; the breadth of his armrests and their rounded continuity lets to find the best position for both the mother and child.

A helpful removable footrest guarantees the discharge of the mother's back and her relax during breastfeeding, while a soft pillow welcomes the child when it is very small.

Ergonomic, fire retardant, antibacterial and latex free, MimmaMà meets all public buildings requirements ensuring comfort, functionality and emotionality.

The breastfeeding armchair MimmaMà is a medical device with CE declaration.

MimmaMà® Point

MimmaMà Point - emotional family lounges

SIGN ON: digital illustrations made on customer's request to enrich of emotion Mother&Baby's areas.

Printed on PVC with a high adhesive tack, stabilized in time, and protected with a transparent UV film, they are non-toxic, fire retardant, antibacterial, easy to clean with detergent and non-abrasive sponges.

MimmaMà Point - OUTDOOR: eco lodges

PARENTS' LITTLE HOME : for nursing babies

MimmaMà® Point

Pu.Si.Co. the washbasin-changing table, **warm and silky to the touch**, is shaped to enrich the functionality and facilitate its cleaning. A baby WC and a washbasin complete the baby toilet.

We suggest to equip an accessible place for both mother and father.

Pu.Si.Co & Family Toilet

NiDondolo is a game for All: accessible to children and adults, including those with physical, cognitive or sensory limitations. It facilitates the natural socialization and the free integration.

NiDondolo Inclusive Game for All

Trottola: free to sit as you like!

It is available both as seat and rotating game, suitable both for indoor and outdoor use. It distinguishes and qualifies the environment.

Trottola Seat & Game

Finferlo comes to the rescue for stopovers and informal moments of relaxation.

Its VALUES: correct position of the pelvis, spinal alignment, distribution of weight on the bones, reduced hip flexion.

Finferlo Ischial Seat

Giano is the ergonomic seat to sit on at 360° and work in an organized way. Comfortable, flexible and functional: your bag on its base and your books and tablet under its seat, to have every thing under control.

Giano Seat at 360°

All LEURA's products have the “**Designed for YOU&ALL**” label because they are on a human scale and improve people daily life.

"Designed for You & All" label distinguishes products, services and activities at a high-performance value, human scaled, for a friendly environment which respects Civil and Social Rights, assuring People's Autonomy and Safety.

That label rewards the enterprises which offer integrated solutions, **Friendly and Helpfully Designed** goods and services. That brand is an incentive to always do better.

MISSION

Our mission is to create well-being through good design, combining functionality to aesthetic values. Responding to people's needs, even the unspoken ones, we create innovative products that are stimulants, adjuvants, easy and intuitive to use, and ensure health, safety and comfort. The design and craftsmanship are the basis of the quality of our products Made in Italy.

VISION

The built environment surrounds us like a second skin and affects our physical and psychological well being Respect of multi-culturalism, gender, age ... Incentive us to create innovative and easily accessible products.
